## CONFERENCE AND EVENT

Armed with meticulous professionals who make every event the most important one, we do all we can to help you create the great memories you crave. We work with reliable and experienced partners whose lifeblood are events, and they are all dedicated to you!

One of the best convention centres in Nigeria for all kinds of events; large, small, national or international. Now, you have nothing to worry about.

## TAILOR-MADE GASTRONOMY AND FOOD SERVICES

Your event guests can enjoy the five-star treatment our guests enjoy at Transcorp Hilton Abuja when you make use of our first-class in-house catering, managed by international chefs with decades of experience satisfying different sophisticated palates. On request, our chef will design a customised menu for you and your event can easily become a feast for the senses. A reception, congress, concert, conference, gala, or general meeting? We got you! First-class cuisine only.

## EVENT TECHNOLOGY

Our in-house technical and engineering team are well-informed and experienced to cater to all your event technology needs. Whatever we do not provide, we have vetted partners on standby ready to achieve your dream event. We offer professional support and guidance from first contact till the execution of your event. Our property offers permanently installed, state-of-the-art audio, video, lighting, stage and rigging technology, which is suitable for all kinds of events: conferences, cultural events and concerts.

Transcorp Hilton Abuja has hosted global stars and world leaders through the years. In June 2023, more than 50 presidents and dignitaries stayed at the hotel on their visit to Nigeria for the inauguration of Nigeria's new president. We have hosted international events, world leaders and global stars at our event space Congress Hall. Now with a space that can host 5,000 guests at once, we are ready to host many more international events and stars, as we remain a preferred destination on the global stage. The world meets here!

A purpose-built, planned city, Abuja is the capital city of Nigeria. Strategically located at the centre of the country, Abuja is fast emerging as an aviation hub in Africa.
